Safe Place

The Safe Place scheme gives vulnerable people a short term 'Safe Place' to go if they are feeling threatened when out and about in their local town.

If you are feeling vulnerable, members of staff at the Safe Places can:

- listen to you
- allow you to use the telephone, or contact someone on your behalf
- provide you with a glass of water
- allow you to use the toilet
- in case of an emergency, call 999

This scheme is not designed to provide people with long term support, i.e. medical attention or accommodation.

Who can be a vulnerable person?

- elderly
- children
- people with mental health problems
- victims of abuse
