

OCKLEY POST OFFICE
at Ockley Cricket Club Pavilion

Many of you will have noticed that the Post Office has not been open at the pavilion for a number of weeks. The service has been closed temporarily as there is no member of staff available.

Is this something that you would like to do? Work for a few hours per week on Post Office duties at the pavilion? If so, please contact:

BUBBY at CAPEL POST OFFICE FOR MORE DETAILS
01306 711177

Sadly this Outreach Service will be permanently closed if staff aren't available.

Many thanks to Margaret for running the Post Office service at the pavilion for so many years. We all really appreciate her help in setting up and running this service in the village.
