4. Information circulated regarding Scott's Well

Details held regarding Scott's Well had been circulated.

These are updated on an annual basis. The insurance for the pump and building had been renewed.

The building is registered with the Charity Commissioners and has a separate bank account to the OPC accounts.

5. Agree £ return and submission of the annual return, year end 31 March 2025 to the Charity Commissioners

The information circulated had shown that there was a small amount of interest credited to the account during the year (£1.49). The Trustees agreed that the annual return be submitted to the CC before the deadline date of 31 January 2026.

The Chairman noted that the corner of one of the flagstones had broken off. He would arrange for the damaged section to be cemented back into place. Currently the area around the Well was very boggy.

The Chairman closed the meeting at 9 pm.
