

YOU'RE INVITED!

PUBLIC CONSULTATION EVENT

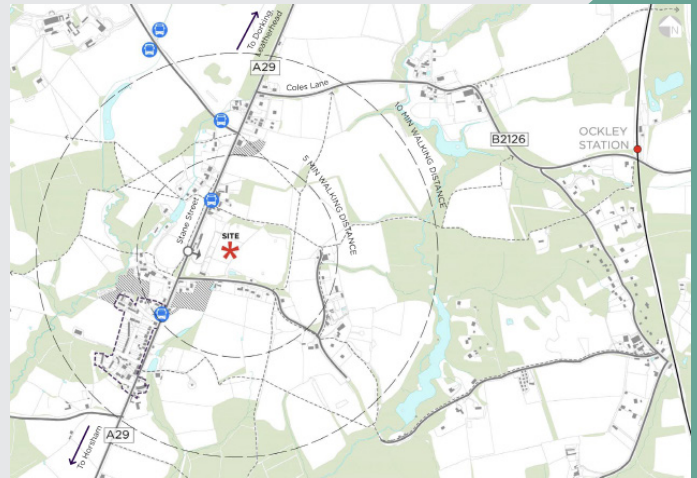

Greymoor Homes would like to invite you to a public consultation event to discuss potential development within the grounds of 'Elderslie', along Stane Street in Ockley.

There is a desperate need for new homes across the country and this is especially so in Surrey.

We have started discussions with Mole Valley District Council to secure an allocation in the emerging Local Plan alongside other sites in Ockley to support an appropriate level of growth of the village. We have also met your Parish Council to introduce our proposals in the context of the planned growth of Ockley.

Greymoor are a trusted team of experienced development professionals, creating high-quality, sustainable communities across the south east of England.

We have assembled a professional consultant team to advise on the potential to develop a small number of high quality new homes within the grounds of Elderslie, whilst maintaining its heritage value, protecting the existing flora and fauna and minimising any impact on the surrounding area.

There is no intention to remove or impact upon the existing buildings. Any permitted development will include affordable homes and only proceed with full planning approval.

We would like to hear your view

...on the proposal and invite you to attend a consultation event where members of the Company and Consultant team will be on hand to discuss their ideas with you and answer any questions you may have.

If you are unable to attend the consultation event, details will be uploaded to the website where you can also provide feedback: www.greymoor.co.uk/ockley
